

OUR COMMUNITY IMPACT

2900 South Loop 256
Palestine, TX 75801
903.731.1000

[PalestineRegional.com](https://www.PalestineRegional.com)

Every day at Palestine Regional Medical Center can be life-changing for the patients who choose our services, from the mother about to give birth to the accident victim in the ER to the cancer patient undergoing treatment. We treat each of these patients with skilled, compassionate care and have done so for Anderson County-area residents for more than six decades. It's a labor of love for us, and one of the reasons why we've been voted the Best Place to Work for six years in a row.

As we care for your health and well-being, we also have a significant impact on the surrounding community. We are one of the area's largest employers and taxpayers, and as our 2023 Community Benefit Report indicates, we give back to the community in a multitude of ways. We provide charitable care to those who cannot afford it, we contribute to local charities and not-for-profits, and we invest in the people and equipment that allow our hospital to deliver the expert care you deserve.

We appreciate you choosing Palestine Regional for your healthcare needs and thank you for your support and partnership as we work toward a healthier you and a healthier Anderson County.

Sincerely,
Doug Holzbog, Market CEO
Palestine Regional Medical Center

In 2023, we...

added **2 employed, affiliated or telehealth providers**

made nearly **\$2.6 million in capital improvements**

distributed a **payroll of \$42 million** to approximately 470 employees

donated more than **\$40 million** in services to those in need

paid more than **\$6 million in taxes**

2023 Success Spotlight

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. In 2023, we added two providers, one in Pulmonology and one in Urology.

By consistently investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. Last year, we spent more than \$2.5 million in capital improvements, including the purchase of four new ambulances, dialysis equipment, urology clinic equipment, a 3D Mammography imaging system, a pulmonary imaging system, and an X-ray machine for our Orthopedic Clinic, among other things.

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and service.

In 2023, we provided more than \$40 million in services to those in need of healthcare but without the means to pay.

We are proud to be a leader in Anderson County, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.
